TSL Biznes is a Polish monthly magazine focusing on most important news in transport, forwarding and logistics. TSL sector includes among others all aspects of transportation, freight and warehousing together with a number of closely related fields such as technology, IT and law. That is why all the most essential problems are combined together under one title.

All kind of information on new products, services and solutions can be found here. The latest trends and tendencies are reviewed, useful and valuable tips, as well as opinions and advices

are given. The magazine is run by a team of experts well experienced in the TSL business. Specialists working in the sector are also welcomed to publish their articles and comments in the magazine.

Our readers

TSL Biznes is dedicated to professionals associated with TSL sector – both those offering and those using transport & logistics services. Our readers are the people permanently looking for new organizational as well as technical solutions, which can reduce costs and increase the quality in the TSL area.

Our readers are mainly

- Directors, executives, managers and specialists in transportation and logistics who work for production, distribution and trade companies.
- Owners and managers of freight carrier companies.
- Forwarding agents and employees.
- Logistics operators.
- Courier & post companies.
- Suppliers of equipment, services and solutions for TSL business.
- Students, scientists and professors.
- Anyone interested in or related to TSL sector.

Broad coverage – wide possibilities

- Magazine published monthly guarantees: always up-to-date information, fast introduction of novelties and frequent attainment.
- We know many logistics specialists and we understand their interest in getting best value for less money. Therefore we offer our magazine in attractive price and great quality.
- The magazine is sent monthly in both paper and electronic versions to 13 500 recipients. Our target readers are key companies and people from the transport and logistics sector as well as entrepreneurs using the services of this industry.
- We utilize numerous distribution channels to our readers. Besides subscription and retail we are reaching dedicated groups of recipients through distribution of free trial copies and cooperation with our partners.
- Our address database includes over 100,000 companies and entrepreneurs from the transport and logistics industry, including all licensed road transport companies. We reach these companies through free rotary and electronic mail. We constantly update our databases and expand them with new contacts.
- Unlimited lifetime of advertisements and articles thanks to free online access to archive editions and distribution. of complimentary archive editions.
- We are present at the greatest events, fairs, conferences and forums, where we also offer copies and archives for yet better spreading of your marketing material.

We hope to be considered as valuable partners to cooperate with.

We are open to your expectations, needs and suggestions and different forms of individual cooperation.
